RADIO COMIX

FEB 1998

Radio Comix 11765 West Ave #117 San Antonio, TX 78216

The Radio Comix party at ConFurence 9 was attended by lots of our comic friends!

From left to right: Japanese manga artists Yusaku Toyoshima and TRUMP (soon to have covers on **Furrlough** and **Genus**!), animation director of **Mapletown** and **Sailor Moon** fame, Andosan, translator pal Dan Kanemitsu, **Genus** artist Jim Hardiman, Pauline Hardiman, **Furrlough** artist Bryce "Bust-a-Move" Nakagawa, Matt "Numbers" High, **Furrlough** artist Michael Vega, new talent Ryan Burke, **Furrlough** writer James Hanrahan, **Tales of the Fehnnik** and **Furrlough** artist Scotty Arsenault, Elin and Phil "Artgod/Madman" Morrissey. Of course, Pat was taking the picture, but we edited out his thumb in Photoshop.

Elin's Soapbox

By Elin Winkler

Ah, another month, another editorial. I've been wondering where I was going to get new ideas for editorials, since I don't really have that much to talk about or a Byzantine "hidden agenda" for the comics we do. But luckily, or unluckily depending on your point of view, I was provided one by a few folks who have been kind enough to review our comics. It's always nice to get reviews, good or bad, since any kind of feedback helps, but there was an odd reference in these latest reviews that I felt I couldn't ignore. Each of these reviews made mention of our "parent company". This brings up the topic for my latest editorial, to be titled:
"We're not Antarctic Press!"
There's really no other way to say it- and I am by no means implying that being Antarctic Press is a bad thing. Far from it- I'd like to have the tenure and standing that AP has. They've been around for a long time, have succeeded by doing the kind of comics they want to do, and are expanding into other media and markets at a positively zooming rate. But there's just one niggling fact that people don't quite seem to get, no matter how many times Pat or Matt or I say it- and that is Radio Comix is a completely separate entity from Antarctic Press. Pat and Matt both still do work for AP, we're all still pals, Furrlough and Genus started at AP, Ben and Joe Dunn have helped Radio Comix a lot in getting started and with advice- but that's it. They aren't our parent company. We are not a division of Antarctic Press. We are in no way owned by Antarctic Press. We're two totally different companies with two different editorial directions and publishing schedules who just happen to be located in San Antonio. I hate to sound whiny, but I do feel it's about time for Radio Comix to be recognized on its own merits. After all, we've worked hard to establish ourselves during a difficult year for comics and I personally think we've done a good job. Yes, that job was made a little easier by the fact that Furrlough and Genus were established at Antarctic Press, but you know, no one thinks Dark Horse Comics is a division of First Comics because they publish Nexus now. I'm sure Radio Comix will develop a more definite identity of its own with time, but until then, I can only ask that folks try to remember that although it's new, it is on its own- though, I sure wouldn't mind having a sugar daddy to pick up the tab!

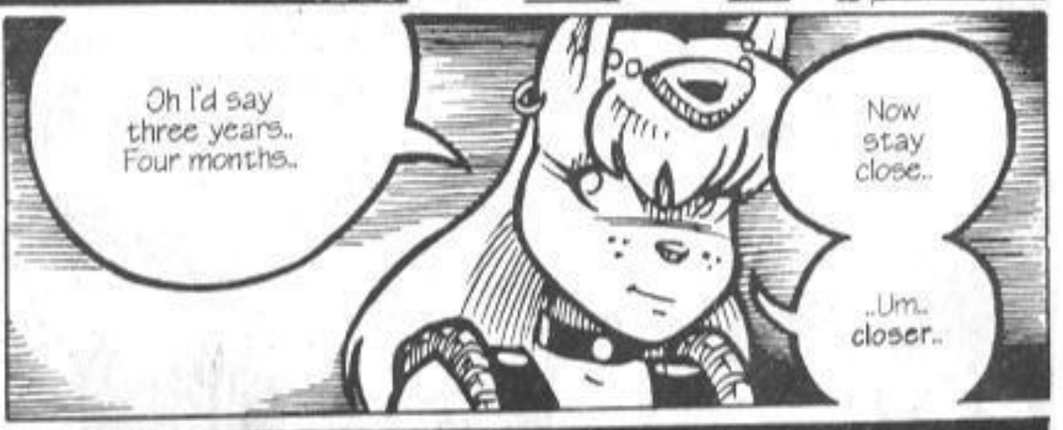
To bring you up to speed....We last saw our lovely protagonist here being lead on a leash destine for tutoring in the art of carnal fulfillment. She came to be here as one of many slave girls of a very wealthy Saudi shiek...



..Trust me you will..
Well, here we are..
That's Ajah over there..
She looks bored..

After some polite dialogue, Patra sat down with her new tutor, Ajah for a small lunch..

OKAY, JULES, I'M HOME!

OH, COOL! SO WHAT DID YOU GET, SWEETY?
I JUST PICKED UP SOME THINGS FOR THE PICNIC. I ALSO GOT A COUPLE MELONS!
YEAH, I KNOW...
BUT I THOUGHT YOU ONLY SHARED THEM ME, BABE!

THATS IT! I HAVE HAD IT WITH THOSE COMMENTS! DO YOU THINK ITS EASY HAVING BREASTS AS BIG AS MINE?! I HAVE TO DEAL WITH NASTY CONSTRUCTION WORKERS' STARING EYES, SHELLING OUT EXTRA CASH FOR CUSTOM BRA-MAKING, AND RIDICULOUS, TASTELESS REMARKS ABOUT MY ENDOWMENTS! I HAVE SAID TO YOU AND OTHERS BEFORE: "PLEASE STOP MAKING SUCH LEWD REMARKS." BUT DO THEY LISTEN?? NOOO! THEY HAVE TO BE COOL AND MACHO, BUT THAT DOESN'T IMPRESS ME, BUB! I HAVE HEARD IT ALL! ANY PUN, PHRASE, NAME, ANYTHING!! EVER SINCE THE AGE OF TWELVE! YES, I'VE DEVELOPED EARLY, BUT I CAN'T EVEN MENTION THAT IN FEAR OF GETTING SNICKERED AT! SO IF I EVER HEAR ANYTHING ABOUT TITS, MELONS, JUGS, HOOTERS, THINGIES, BOUNCERS, BLIMPS, KNOCKERS PILLOWS, WHATEVER, IT IS GOING TO BE ONE COLD WEEKEND IN THE SACK FOR YOU, SWEETY! OH, AND IF ANY OF YOUR PALS EVER SAY ANYTHING ABOUT MY CHEST, PLEASE KINDLY SEPARATE THE LIMBS FROM THEIR BODIES, PLEASE?!

OH, MISTY. I'M SO SORRY. I KNOW YOU'VE HAD A HARD DAY, BUT I WOULDN'T SAY THOSE THINGS IF I DIDN'T LOVE YA!

YOU KNOW THAT.. ...DON'T YOU?
WELL... YES.

COOL!
?!
UH! WHERE ARE YOU GOING TO!
I'M JUST GONNA SIT AND WATCH THE BOOB TUBE!
OOP!

IT WAS JUST A SLIP OF THE TONGUE! I KNOW MISTY, SHE'S NOT GONNA HOLD THIS AGAINST ME. I'LL JUST BE SMOOTH...
HEY, MISTY? BABY? MIND IF "DADDY" GIVES YA...
I'LL BREAK YOUR HAND!
SIGH!
